**SAY "YES" TO TRUTH'S ENCORE® SERIES
HANDLES AND COVERS**

Truth's new "nesting" cover for the Encore® Series of operators provides options to an already stylish design. Encore operators give you all the strength and performance characteristics you need in an operator with the flexibility of additional handle and cover options.

The Snap-Fit cover removes easily for painting and staining of the window frame and provides a smooth, stylish look for your windows. Integrated snap feature allows fastenerless cover attachment and installation after home is completed, helping to eliminate construction damage.

The Full-Flip Handle design eliminates collapse during operation and Encore® Operators require 33% less effort to operate than previous operators. The handle provides smooth operation with a more contemporary look when nested and allows for easy screen removal without removing the handle from the operator.
