Encore®

OPERATOR SYSTEM

Stylish Simplicity In A Snap!

Installation Available For Wood And Vinyl Windows.

Provides Ease Of Operation And Maximum Strength.

Encore® Series Operator System Offers Increased Performance

Encore® operators drop into the current Maxim® cutout and allows for the operation of larger style awning and casement windows. Low Profile and Rear Mount operators fit a wide range of profiles and window types and easily mounts to thin wall profiles including fiberglass, aluminum and steel.

Multiple Arm Configurations

Encore operators are available in a wide range of configurations for casement and awning windows. Dual Arm operators can operate window up to 40" x 84" and weights up to 108 lbs. The Dyad operators offer the flexibility of using the same cut-out and bracket as the Dual Arm operator. Both the Dual Arm and the Dyad operators provide up to 7" of washability when used with Truth's standard Maxim® 13" hinge.

For more information about Encore and Maxim Series cover and handle options contact your Truth representative.

Encore® OPERATOR SYSTEM

Full-Flip Handle and Snap-Fit Covers provide an opportunity for you to reduce your inventory of optional operator colors as the hardware's appearance can be changed by simply adding a different handle and cover option. The Encore Series Nesting Handles and Covers are available in all of Truth's finish options as well as many popular decorative finishes.

Removeable Cover And Full-Flip Folding Handle.

Featuring several handle and cover designs that will work exclusively with the Encore system.
