Distinctive Handle Set Choices That Add
A Unique Signature To Your Patio Doors.

Enhance Your Patio Door—

With The Premier Handle Set Design In The Industry!

Unique And Revolutionary Handle Set Is Both Elegant And Easy To Grasp

Introducing the Signature™ Series—Truth's breathtaking new handle sets for the sliding patio door market are elegant and revolutionary in design. Truth has designed a unique set of patio door handles created to enhance any size patio door.

Signature™ Handle Sets Offer:

- The opportunity to customize your door through escutcheon style options
- Compatible with industry standard single or multi-point mortise locks
- Handles to fit stile thickness ranging from 1.25" to 2.25"
- Optional key lock cylinders
- Inactive configurations for OXXO doors
- Extended bosses on inside and outside escutcheons to enhance handle stability
- Truth's plated decorative finishes on solid brass and Truth's traditional painted finishes on zinc

Signature™ Series 40.94 Through 40.97

- The premier handle set in this new series is designed to accent today's larger doors
- New contoured shape is both elegant and easy to grasp
- Design complements other Signature Series models to give you a "better/best" family look platform from which to market your doors
- Locking point located above the handle provides easy access to the thumbturn or optional key cylinder
- Popular 1.25" wide escutcheon helps to accent the handle's contour and style
- 13" long escutcheon is available in 4 different designs to help accent your door
- Stylized thumbturn design incorporates a similar look to the escutcheon design offering a subtle connection between the two elements

Series 40.94

Signature™ S E R I E S

Series 40.90

Signature™ Series 40.90 Through 40.93

- Industry standard mounting hole spacing for easy conversion from existing hardware suppliers, or in upgrading systems currently in the market
- May be combined with Truth's standard outside pulls for differentiated appearance and price points
- Optional key lock cylinder can be offset to maximize accessibility of handle
- Narrow 1" escutcheon adapts nicely to slimmer door stiles
- 10" long escutcheon available in 4 different designs
- Lever offers complementary styling to handle's contour shape
