Truth Hardware Tilt Latches are designed to provide window manufacturers the highest quality product at a minimum cost. With several variations to choose from, these Tilt Latches are engineered with labor saving and design features to fit virtually every existing window profile in today’s marketplace.

**MOUNTING OPTIONS**
Options include Truth’s revolutionary “snap-in” mount and the “hidden mounting fastener”, as well as our standard “top mounted” fasteners – each of which affords dependable operation with secure methods for installation. (See following drawings for available options).

**WARRANTY:**
Protected under the terms of the “Truth Warranty for Window & Door Manufacturers & Authorized Distributors”. Refer to Truth’s Terms & Conditions for further details.

**MATERIAL:**
Composite assemblies of powder coated cast zinc and/or thermoplastics.

**FINISH:**
Electrostatically applied, durable coatings that provide excellent resistance to chipping, scratching and corrosion while maintaining color stability for years in direct sunlight. Please refer to Truth’s Color Chart for examples of Truth’s most popular finish options. Truth also offers a wide range of decorative “plated” finishes – contact Truth for additional information on availability of these finishes on specific product lines.

**ORDERING INFORMATION & OPTIONS:**
1. Choose Tilt Latch style (specify by part number).
2. Specify left or right hand (if necessary).
3. Order screws required (if necessary).
4. Specify desired finish.
