Encore®

OPERATOR SYSTEM

Stylish Simplicity In A Snap!

Installation Available For Wood And Vinyl Windows.

Provides Ease Of Operation And Maximum Strength.

Encore® Operator System Offers Increased Performance

Truth Hardware's Encore Operators allow for the operation of larger style awning and casement windows which are popular in today's construction and remodeling projects. Engineered to drop into the same footprint as Truth's Maxim Operators, helps make the conversion to the new Encore system that much simpler. Truth also offers optional low profile and rear mount operators that fit a wide range of profiles and window types and easily mount to thin wall profiles including fiberglass, aluminum and steel, in addition to wood profiles.

The Encore System also has launched a new **High Performance Series** of operators and hinges to address the robust requirements associated with energy efficient windows where triple pane sashes can weigh upwards of 140 lbs. Contact Truth for more details!

Multiple Arm Configurations For Varying Window Styles

- Dual Arm Operator - for large casements - up to 40" x 84" frame/96 lb. sash
- Dyad Operator - for 16" - 32" wide casements
- Reverse Dyad Operator - for 12" - 24" wide windows and specialty windows (i.e., round tops, half round, trapezoid, garden, octagon, and windows that use butt hinges or 4-bar hinges)
- Single Arm Operator - for 20" - 32" wide casements and specialty windows where egress is required
- Awning Operator - for frame widths from 20" - 60" wide
- Narrow Awning Operator - for smaller cavity profiles and smaller window sizes

- Single Arm Awning Operator - for narrow windows or those with a smaller profile cavity
- Low Profile Dyad Operator - for 12" - 24" wide casements (available in rear mount only)

Full-Flip Handle and Snap-Fit Covers provide an opportunity for you to reduce your inventory of optional operator colors as the hardware's appearance can be changed by simply adding a different handle and cover option.

The Encore Series Nesting Handles and Covers are available in all of Truth's finish options as well as many popular decorative finishes.

Removeable Cover And Full-Flip Folding Handle.

Featuring a variety of handle and cover designs in a wide assortment of decorative finishes that will work exclusively with the Encore® System. Ask about special options to help manufacturers comply to ADA requirements.
